

QCT On the Road 2023

***Lions in Illyria* Tour Info & Rate Sheet**

Thank you for your interest in bringing QCT to your school or organization!

Lions in Illyria by Robert Kauzlaric is a magical modern-language retelling of Shakespeare's *Twelfth Night*, with animals! A young lioness named Violet is shipwrecked on the weird and wonderful shores of Illyria, where she quickly finds herself entangled in the wild (and wooly) drama of its residents. Each booking of *Lions in Illyria* includes an exclusive **QCT study guide** to help prepare your students for the show.

QCT On the Road provides the performance and production equipment...you provide the space and the audience! Below, please find all the information you need to book your performance and prepare for our visit.
