

**Connect your business to one of the area's premier arts organizations!**

Sponsorship at Quincy Community Theatre offers brand visibility, engagement, and hospitality benefits tailored to your specific marketing, business, and philanthropic goals. At QCT, professional directors and designers work alongside a fulltime staff and local volunteers in harmony to offer and perpetuate quality theatre entertainment and education in the performing arts through community participation.

Our corporate partners play a vital role in producing theatrical and educational experiences at QCT. Whether it's royalties, set construction, or costuming, corporate support helps offset the initial costs of production, allowing us to keep ticket costs down and provide accessible programming for our community.

With the help of community leaders like you, we'll be able to enrich, entertain, and educate our audiences and "seize the day" with our 2024 season.
