

SET/PROPS

This play could be done with minimal set or can be more elaborate. All that is required is a counter with a payment screen on a stand, and two tables, each with two chairs. A large menu with pictures would be a nice addition behind and above the counter. Additional prop requirements can be found in each scene.

COSTUMES

All Employees should wear a fast food uniform, including Alex (except for Scene 1) which could just be a colored T-shirt with/without a logo and perhaps a matching baseball hat or visor. Pat and Patty should wear uniforms with an apron and hairnet or hat. Manager(s) should wear a uniform in similar colors to the Employee uniforms but should wear a button-up shirt and tie. Captain Cluck should be dressed as a chicken in some manner. (It does not need to be a full chicken suit...but it can be!) Witch and Minion should be dressed in a spooky manner with dark colors. Grannie should wear a T-shirt that says GrubDash and may have a matching hat. All other customers can be dressed in any manner.
